

Celebration of Science

Russell Lee Elementary Celebration of Science is on **January 16th, 2025!** It's a time when students explore and present a scientific topic of interest.

All projects must be completed by Thursday, January 16th.

- ★ Projects are completed outside of school.
- ★ K-2 will present during class time on the 16th.
- ★ 3-6 will present to judges the morning of the 16th.
- ★ Three projects from each grade level, 3rd-6th will advance to the Greater Austin Region Science and Engineering Fair (GARSEF).

QR Codes below contain detailed information for all grade levels!

**GARSEF Elementary Handbook
3-6th Grade Information**

**Celebration of Science Information
K-2nd and General Information**

Austin Public Library Science Fair Worksheet

**Parents and Caregivers will be able to view projects
after school on the 16th in the Library.**
