

CLUBS / ACTIVITIES SPRING 2024

We have expanded after-school offerings to include more vendor clubs as well as more low-cost activities in the hopes to make programming more accessible and inclusive to all students. There will be two separate sign-up processes again; one for unaffiliated vendor clubs hosted at Lee and one for clubs partially subsidized by the PTA and led by our awesome volunteers! After receiving feedback from the community, there will be a \$50 per semester suggested donation for non-vendor club enrollment, and the remaining cost for the program will be supplemented by the PTA. Everyone is welcome to join our enrichment clubs regardless of ability to pay. Caregivers will be given the opportunity to donate additional funds to cover the cost of programming for students who could use additional financial support.

After-school enrichment clubs do not take the place of aftercare, are typically only for one hour per week, space is not guaranteed, and most clubs are only for one semester. For information about the programs below, please contact [LeePTA Enrichment](#) and/or the individual in charge of that program. Please do not contact the Lee office, counseling, or admin staff regarding programs. See contact info for program leads below. There is no after-school enrichment programming on [Early Release days or Professional Development Days](#).

Unaffiliated Vendor After-School Activities at Lee

The following after-school activities are offered through outside vendors. These companies are not affiliated or endorsed by Lee Elementary School or the Lee PTA but offered at the school in order to provide quality resources to our community. **Remember that you sign up with the vendor through their website and pay through their website. Registration is now open.** For information about the programs below, please contact the individual in charge of that program. Please do not contact the Lee office, counseling, or Admin staff regarding programs. See contact info for program leads below.

The Knight School Chess (limit 20)

New to Lee this semester, the Knight School Chess Team is your school's official chess team and chess party. The Knight School's approach has had amazing success -- winning multiple state championships -- because our unique and unprecedented educational philosophy, "the chess party," is the perfect way to transform a complete beginner into a devastating chess machine. In this kid-centered classroom environment, we teach our kids every cool trick, strategy, and tactic in chessdom and our kids soon learn to love and master chess, their classroom, sports, and their home lives as well! Upon enrollment, new students receive a TKS T-Shirt, chess set, chess bag, and all the colorful

TactixBands they can earn!

Groundwork Music Project Ukulele Ensemble (2 options)

Groundwork Music Project Ukulele Ensemble is a great way for kids to develop their musical skills and have fun doing it! Students learn to sing and strum, while also developing their note reading skills and overall musical ability. The lessons include a lot of original songs created just for Groundwork Music Project, plus lots of familiar traditional pieces. Classroom activities help kids to truly enjoy the challenge of learning an instrument. Beyond classroom activities, all

students are welcomed to participate in monthly Groundwork stage events with professional musicians, and the holiday concert at Central Market. Recommended for students 8+.
