About Me

I went to UF (Go Gators!) for undergrad and UT Austin for my Masters. I live with my one year old son Carlo, husband Patrick (who is also a Principal in Austin ISD), and our mixed mutt elder dog Patches. This will be my eighth year working at Lee -- the longest I have worked at a specific campus in my career.

A perfect day for me would be: Slow start, time to go out to eat with friends, limited notifications on my phone
