My love language is

From a teacher work perspective I think it would be acts of service and words of affirmation. Personal life I love gift giving!

Favorite place to shop or spend a gift card

Amazon, Target, LuLuLemon, Nordstroms

The best staff appreciation gifts are

Time to do things at school during school time! Massages, pedicures, staff lunches

I DO NOT like

I do not like coffee. I'll drink mochas but not just straight or creamed coffee. I do use Starbucks gift cards on other things so they are welcomed.

Ways a volunteer could help me most

Copies, laminating etc.

A school project I have been dreaming about that I would love the support of the PTA for Homeroom memory books. Hill does this and I think it's a good alternative to a yearbook.
